

# How the JCM Governance links into the HCS Governance

# Accountability – JCM delivery

Accountable for Health Care Policy and Health Care Provision

Purpose (wording taking from the amendment to P.114/2020 as agreed):

- To keep under continuous review the delivery of the Jersey Care Model and report to the Minister and the Health and Social Security Scrutiny Panel
- to be responsible for agreeing monthly progress reports and the publication at the end of Tranche 1 of a detailed analysis of progress against set targets and a detailed look ahead to the delivery of Tranche 2
